

BE THE difference

Are you interested in osteopathic mentoring? Medical mission service? Or other volunteer work? 2006/07 Michigan Osteopathic Association President John E. Bodell, D.O., established several MOA projects to help osteopathic physicians in their charge to *Be the Difference*.

-  The **Health Care Mentor Task Force**, led by 2005 AOA Mentor of the Year Cheryl Doane, D.O., was established to implement an effective mentoring program for young osteopathic physicians in Michigan.
-  The **Committee on International/Medical Mission Service**, led by Mike Simms, D.O., was established to expand our efforts to provide medical care to those in need
-  The **Emergency Preparedness Task Force**, led by John Everett, D.O., was established to better prepare osteopathic physicians for volunteer service in the case of medical emergencies and to forge a relationship with the government entities central to emergency communications, credentialing and volunteer medical liability coverage.

If you would like to learn more about potential volunteer opportunities or about how to register to be called on in the case of medical emergencies, please complete the form below and return it to the MOA. Or just complete the online form at www.mi-osteopathic.org. The MOA will provide your contact information to the appropriate MOA task force for inclusion in volunteer projects or send you information about registering for the Michigan Volunteer Registry:

I am interested in:

- Mentoring Medical Missions Free Health Clinic Volunteer Work
- Information on the Michigan Volunteer Registry for medical emergencies

Name: _____ AOA# _____
